11 NARRATIVE

12 On 01/18/2015 at approximately 0101 hours Dep. ADAMS, Dep. TAYLOR and  
13 I were dispatched to the side of 664 Lomita Ct. (Kappa Alpha),  
14 regarding a report of a female who was unconscious but breathing in a  
15 field. Dep. TAYLOR arrived on scene at approximately 0105 hours and  
16 broadcasted over Palo Alto Communications Channel 1 that he had  
17 located the unconscious female, later identified as (V01), behind a  
18 dumpster, breathing but completely unresponsive.

19

20 I arrived on scene at approximately 0106 hours and began to assist  
21 Dep. TAYLOR. The area in which we found (V01) is a student  
22 residential area, specifically fraternity houses with walkways that  
23 have ambient lighting and high foot traffic near a basketball court.  
24 I walked down a service access driveway on the west side of Kappa  
25 Alpha behind a dumpster between the Kappa Alpha and Jerry Houses.

26

27 Dep. TAYLOR found (V01) lying on the left side of her body on the  
28 ground behind the dumpster. The front of her body was facing the Kappa  
29 Alpha House. Her head was closest to the dumpster, and her feet were  
30 furthest from the dumpster. The area where she was laying was under a

1 pine tree and the ground was covered with dry pine needles.  
2  
3 I approached Dep. TAYLOR who was ensuring (V01) was breathing. (V01)  
4 was wearing a black, skin tight dress. I noticed that her dress was  
5 pulled up to her waist exposing her vagina and butt. She was not  
6 wearing any underwear. The back of her black dress was covered in  
7 pine needles. The back of her neck was visible and her long hair was  
8 disheveled, knotted and completely covered in pine needles. She was  
9 wearing brown boots that were still laced, with the laces tied in a  
10 bow. There were zippers on the heels of her shoes that were in the  
11 fully zipped up position. She was lying in a position with her feet  
12 and legs bent in a 45-90 degree angle (fetal position) and her arms  
13 were in front of her chest with her hands on the ground near her  
14 face. She had a light grey sweatshirt that was removed from her right  
15 arm, but was still on her left arm between the ground and her left  
16 arm. The extra sweater material was bunched up in front of her on the  
17 ground. Her dress was pulled u on the front of her body as well,  
18 abover her waist and her lowe abdomen and pubic area was visible. She  
19 was wearing a bra, however it appeared very disheveled, with part of  
20 it exposed outside of her dress. The top of her dress was stretched  
21 down over both of her shoulders. She was wearing a necklace that had  
22 feathers as a pendant. The necklace was wrapped around all the way  
23 around her neck so that the pendant portion was now centered on her  
24 back.  
25  
26 I saw what appeared to be a pair of women's white thong underwear  
27 that was wadded up approximately 6 inches from her stomach. Dep.  
28 TAYLOR and I were making sure (V01) was ok when an unknown male  
29 subject came up to me and said they have him pinned down over  
30 there. The male pointed approximately 50 yards north east of my

 9 I immediately requested additional units respond to my location via my

26  
 27 (S01)TURNER had a strong odor of an alcoholic beverage emanating from

 30 consistent with an erect penis underneath his pants. He had dirt on

3 (S01)TURNER asked me ¿what are you doing?¿ I told him I was a police

4 officer and I was detaining him until I figured out what was going

5 on. (S01)TURNER attempted to get up and I grabbed his right arm and

6 wrist and placed him in a department approved rear shoulder lock.

7 (S01)TURNER struggled for a moment and I ordered him to get onto his

8 stomach. He complied and I subsequently placed (S01)TURNER in

9 handcuffs and escorted him back to my patrol vehicle. (S01)TURNER

10 stumbled slightly when walking but seemed coherent enough to

11 comprehend what I was saying and complied with my requests. I

12 conducted a pat search of (S01)TURNER with negative results. I

13 ensured the handcuffs were double locked and checked for a proper

14 fit. I placed him in the back of my patrol vehicle and again advised

15 him he was not under arrest at this point, but being detained. I told

16 (W01)JONSSON, (W02)ARNDT, (W03)SINCLAIR and (W04)BARNETT to wait in

17 an area adjacent to my patrol vehicle so they could be identified and

18 talked to.

19

20 In total, I took 42 photographs of where (V01) was found, the

21 immediate scene surrounding her and later of (S01)TURNER. I

22 downloaded these digital photos onto a CD and booked it into SUDPS

23 Evidence Locker 10. Palo Alto Fire Department Engine 66 and Medic 62

24 arrived on scene and began treating the unconscious female.

25

26 Dep. EDWARDS arrived on scene and I requested he begin cordoning off

27 the area as a crime scene and I requested Campus Security SEP CHOY

28 start a crime scene log.

29

30 Sgt. BARRIES arrived on scene a short time later and notified SUDPS

14  
15 (W01)JONSSON was identified by his [REDACTED] Identification card . It

1 and saw a male subject on top of a female who was lying on her back  
2 on the ground near the dumpster. It looked like the male and female  
3 were having sex, as (W01)JONSSON saw the males hips thrust several  
4 times on top of the female. (W01)JONSSON and (W02)ARNDT both talked  
5 about it and thought it was a mutual interaction at first and  
6 continued riding. However, (W01)JONSSON said as he kept riding by, he  
7 noticed that the female laying on the ground was not moving and  
8 something seemed weird about the situation. When asked to elaborate  
9 about what seemed weird, he just said that he got a weird feeling  
10 about it because it looked like the female was asleep or  
11 unconscious.

12 He started riding slower and began looking intently at the male and  
13 female. He could tell that the female appeared to not be moving at  
14 all and he was sure something was wrong. (W01)JONSSON told (W02)ARNDT  
15 they needed to check and make sure everything was ok.

16  
17 (W01)JONSSON and (W02)ARNDT got off their bikes approximately 10 yards  
18 away from (S01)TURNER and (V01). As (W01)JONSSON got closer he said  
19 hey to (S01)TURNER, in an effort to get his attention. He said that  
20 (S01)TURNER looked up, saw him, slowly got up off the female and  
21 began running pretty fast away from the area. (S01)TURNER was  
22 running north easterly across a basketball court and along the path  
23 to the rear of the Jerry House.

24  
25 (W01)JONSSON and (W02)ARNDT briefly checked on the girl and noticed  
26 that she appeared to be unconscious and did not respond to them  
27 asking if she was ok. (W01)JONSSON never lost sight of (S01)TURNER  
28 and started chasing after him. He caught up to him about 35 yards  
29 down the path and told (S01)TURNER to stop several times. He said  
30 that (S01)TURNER kept running and didn't look like he was going to

4 run away again, so he tackled him to the ground. (W01)JONSSON  
5 straddled (S01)TURNER and held his arms down as (W02)ARNDT held his  
6 legs down.

7  
8 (W01)JONSSON is not sure how long he held (S01)TURNER down, but  
9 estimates it a few minutes. He told (S01)TURNER he was not letting  
10 him up until he figured out what was going on and he wanted to make  
11 sure that (V01) was ok. That is when the police arrived and detained  
12 (S01)TURNER.

13  
14 (W01)JONSSON did not see if (S01)TURNER had his pants undone or his  
15 penis out, but stated it definitely looked like (S01)TURNER was  
16 having sex with (V01) due to the thrusting and him being on top of  
17 her with her dress pulled up.

18  
19 (W01)JONSSON said he would absolutely be able to identify  
20 (S01)TURNER if he saw him again. (W01)JONSSON had never seen either  
21 (S01)TURNER or (V01) before this incident. (W01)JONSSON was unsure of  
22 what exactly had taken place or if (V01) was ok, so he felt it was  
23 necessary to hold (S01)TURNER until someone figured this out.

24  
25 NARRATIVE CONT.  
26 I took down (W01)JONSSON's information and told him a Detective would  
27 most likely be in contact with him and ask further questions  
28 regarding this case. I thanked (W01)JONSSON for his assistance and  
29 released him from the scene.

1 I contacted (W02)ARNDT who was waiting by my patrol car. I interviewed  
 2 him separately from the other witnesses. (W02)ARNDT stated the  
 3 following in summary:

4  
 5 STATEMENT OF (W02)ARNDT:

6 On 01/18/2015 at approximately 0055 hours, (W02)ARNDT was riding his  
 7 bike with (W01)JONSSON along a path that runs behind the Jerry House.  
 8 He said that (W01)JONSSON noticed movement and they both looked and  
 9 saw a guy on top of a girl. The girl was lying on her back.  
 10 (W02)ARNDT said he was initially not that concerned about the  
 11 activity and thought it was just a guy and girl hooking up. He  
 12 proceeded to ride his bike but said that (W01)JONSSON started to ride  
 13 slow and said he thought something was really wrong.

14  
 15 (W02)ARNDT looked over again at the male and female on the ground and  
 16 said he saw the male subject, (S01)TURNER thrust/hump the female  
 17 about 10 times. He also noticed that it appeared like the female,  
 18 (V01) was not moving and something seemed odd. He got off his bike  
 19 and started to approach (S01)TURNER and (V01), when (S01)TURNER got  
 20 up and ran away. (W01)JONSSON started chasing him. He checked the  
 21 female and noticed she was breathing but did not respond to anything.  
 22 (W02)ARNDT started chasing after (S01)TURNER too.

23  
 24 (W02)ARNDT ran about 35 yards and saw (W01)JONSSON trip (S01)TURNER  
 25 which caused (S01)TURNER to fall on the ground. He saw (W01)JONSSON  
 26 jump on top of (S01)TURNER's chest and start to hold his arms down,  
 27 while he jumped on (S01)TURNER's legs to keep them down because  
 28 (S01)TURNER was trying to get up. (W02)ARNDT is not sure how long he  
 29 helped hold down (S01)TURNER, but did so until the police arrived.  
 30 (W02)ARNDT stated he would be able to identify (S01)TURNER if he saw

6 I took down (W02)ARNDT's information and thanked him for his help. I

 8 him regarding this incident.

9  
 10 I contacted (W03)SINCLAIR and (W04)BARNETT separately however, they  
 11 did not witness the actual event and had the same statements.

12 (W03)SINCLAIR and (W04)BARNETT stated the following in summary:

13  
 14 STATEMENTS OF (W03)SINCLAIR and (W04)BARNETT:

15 On 01/18/2015 at approximately 0058 hours, (W03)SINCLAIR and  
 16 (W04)BARNETT were walking north along the path behind Kappa Alpha.  
 17 They heard a commotion and saw what appeared to be three male  
 18 subjects fighting on the ground. They believed it was drunk people  
 19 fighting and ran up to intercede if necessary. When they got to the  
 20 group, they determined that (W01)JONSSON and (W02)ARNDT were trying  
 21 to detain (S01)TURNER for some type of crime. They then stood by in  
 22 case help was needed.

3

4 On 1/18/15 at approximately 0101 hours, Palo Alto COMM dispatched me  
5 to a person down call at the rear of the Kappa Alpha House. Palo Alto  
6 COMM stated that there was a subject in the backyard outside of the  
7 house who was unconscious and breathing.

8

9 At approximately 0105 hours, I arrived at The Kappa Alpha House  
10 parking lot. Two male subjects, later identified as (W03)SINCLAIR and  
11 (W04)BARNETT waved me down in the parking lot on the northwest side  
12 of Kappa Alpha. I asked where the person that needed medical  
13 attention was, and they led me down the service access driveway on  
14 the west side of Kappa Alpha House and behind a dumpster between the  
15 Kappa Alpha and Jerry Houses.

16

17 I observed a female subject, later identified as (V01)VICTIM lying on  
18 the left side of her body on the ground behind the dumpster. The  
19 front of her body was facing the Kappa Alpha House. Her head was  
20 closest to the dumpster, and her feet were furthest from the  
21 dumpster. The area she was laying was under a pine tree and the  
22 ground was covered with dry pine needles.

23

24 I could see (V01)VICTIM from behind. She was wearing a black, skin  
25 tight dress. The bottom of her dress had been pulled up above her  
26 hips, and was gathered near her waist. Her entire buttocks were  
27 uncovered, and she was not wearing any underwear. The back of her  
28 black dress was covered in pine needles. The back of her neck was  
29 visible and her long hair was disheveled, knotted, and completely  
30 covered in pine needles all throughout. She was wearing brown boots

4  
5 I noticed a silver iPhone lying on the ground behind her buttocks.  
6 There was a blue cell phone case that was approximately 4 inches  
7 away, separated from the iPhone.

8  
9 I proceeded to walk around her feet so that I could see her face to  
10 assess if she was conscious and breathing. She was lying in a  
11 position with her feet and legs bent in a 45-90 degree angle (fetal  
12 position) and her arms were in front of her chest with her hands on  
13 the ground near her face. She had a light grey sweatshirt that was  
14 removed from her right arm, but was still on her left arm between the  
15 ground and her left arm. The extra sweater material was bunched up in  
16 front of her on the ground. Her dress was pulled up on the front of  
17 her body as well, above her waist, and her lower abdomen and pubic  
18 area was visible. She was wearing a bra, and it was only covering her  
19 right breast. The left side of her bra was pushed up above her left  
20 breast, and was partially visible above her dress. The top of her  
21 dress was stretched down over both of her shoulders. She was wearing  
22 a necklace that had feathers as a pendant. The necklace was wrapped  
23 all the way around her neck so that the pendant portion was now  
24 centered on her back.

25  
26 I observed a pair of white with black polka dot panties lying bunched  
27 up on the ground about 6 inches in front of (V01)VICTIM's stomach.  
28 Approximately 5-10 feet east of V(01)VICTIM was an open can of beer  
29 lying on the ground.

17 subject that was pinned down on the ground by two other male subjects  
18 on the other side of the basketball court, approximately 75 feet  
19 away. I asked them what they were referring to and they said; ¿it was  
20 that guy who did it!¿

21

22 Deputies SHAW and ADAMS ran over to the other side of the basketball  
23 court and detained the male subject, later identified as  
24 (S01)TURNER.

25

26 Palo Alto Fire Engine #66 and Medic Unit #62 paramedics arrived on  
27 scene and provided medical attention to (V01)VICTIM. I told the  
28 paramedics that (V01)VICTIM was found lying exactly as she was when  
29 they arrived, and that the entire time I was near her she was

2 At approximately 0130 hours, (V01)VICTIM was transported by medic #62.  
3 to Valley Medical Center in San Jose. I rode with (V01)VICTIM in the  
4 back of the ambulance.

5

6 At approximately 0200, we arrived at Valley Medical Center in San  
7 Jose, and (V01)VICTIM was checked in as a patient. (V01)VICTIM  
8 remained unconscious throughout the entire ride, and was still  
9 unconscious during the check in process at the hospital.

10

11 Approximately every 15 minutes, I attempted to ask (V01)VICTIM in a  
12 very loud voice; ¿Can you hear me?¿ and ¿What is your name?¿. I did  
13 not receive any kind of response from (V01)VICTIM until approximately  
14 0415 hours.

15

16 At approximately 0415 hours, (V01)VICTIM regained consciousness and  
17 slowly began to talk. After I was able to identify (V01)VICTIM, I  
18 let her know where she was and why. She stated she understood. I  
19 asked (V01)VICTIM if she would be willing to go through a Sexual  
20 Assault Response Team procedure, and she stated, "Yes, I will."

21

22 While (V01)VICTIM was lying on the gurney, she provided me with the  
23 following information:

1 They started out at a party at the Lagunita Court area, then later all  
2 three of them went to a party at Kappa Alpha. She did not know anyone  
3 else other than (001) ██████████ T. and (002)MAGGIONCALDA at Kappa Alpha.  
4 During the party at Kappa Alpha, she drank only "Keystone Light"

6 needed to urinate and there were not enough restrooms inside of the  
7 house. She walked outside of the Kappa Alpha house with (001) ██████████  
8 T. and (002)MAGGIONCALDA and continued further away from the house in  
9 order to be more "isolated." The area they walked to in order to pee  
10 was under a tree with a lot of dead pine needles. She stated that she  
11 remembered returning to the Kappa House after they urinated. She  
12 stated that she did not remember being alone with any male subject  
13 the entire night, and did not remember having any sexual  
14 interaction.

15

16 NARRATIVE CONTINUED

17 At this time, (V01)VICTIM stated she had to urinate immediately. I  
18 notified medical staff and she was escorted to a restroom. As soon as  
19 she returned, medical staff began the medical clearance process.

20

21 At approximately 0430 hours, (V01)VICTIM was medically cleared by Dr.

23

24 We left the emergency room and walked to the "family room" while we

26 could go back to sleep while we awaited their arrival.

27

28 At 0720 hours, SART Advocate April TETTEMER arrived at the "family

7 SART Report for VICTIM

8

9 On 1/18/15, at about 0143 hours, Lt. HAVIG called to inform me of a  
 10 rape that occurred on the Stanford University campus at the Kappa  
 11 Alpha fraternity house. He also stated that they have a suspect in  
 12 custody for the crime. I arrived at the SUDPS station at about 0310  
 13 hours and checked in with Lt. HAVIG to receive some more information  
 14 regarding the case.

15

16 I then went to the SUDPS Annex and spoke with, Dep. SHAW, who provided  
 17 me with more information. (S)TURNER was sleeping in the holding  
 18 cell. The SART nurse had already been called to conduct a forensic  
 19 examination of (S)TURNER and blood had also been drawn. The SART  
 20 nurse was set to arrive soon so I chose to let the SART nurse  
 21 complete her examination of (S)TURNER before interviewing him.

22

23 VICTIM had already been taken to the Valley Medical Center to be  
 24 medically cleared and possibly have a sexual assault forensic exam  
 25 done by a SART nurse.

26

27 I then went out to the scene of the crime and met with Sgt. BARRIES.  
 28 Sgt. BARRIES informed me that they wanted to take additional photos  
 29 in the morning to make sure they don't miss any evidence. I stayed

7  
 8 At about 0635 hours, I interviewed (S)TURNER in the SUDPS Annex.

9  
 10 At about 0636 hours, I read (S)TURNER his Miranda Advisement. He

 12 he understood his rights. He was able to clearly communicate with me

14  
 15 I asked (S)TURNER if he wanted to tell me what happened. (S)TURNER's  
 16 statement was recorded on my department issued digital recorder.

17  
 18 STATEMENT OF (S)TURNER

19 (S)TURNER is an undergraduate student at Stanford University. He  
 20 resides in the Lagunita Court - Eucalipto dormitory.

21  
 22 He stated that he arrived at the Kappa Alpha house to attend the party  
 23 with his friend Tom KREMER at about 2300 hours. Throughout the  
 24 night, (S)TURNER ¿hooked up¿ with a few girls. By ¿hooked up¿ he  
 25 meant, kissed. Later in the night he went out to the back of the  
 26 Kappa Alpha house and met a female, later identified as VICTIM, he  
 27 described as having dark hair and shorter than him, coming up to  
 28 about his shoulders. (S)TURNER is 6¿3¿. She was with one other  
 29 female he thought was her friend. They were drinking some beer at

 10 also touched the VICTIM's breasts. (S)TURNER stated that he is right  
 11 handed and used his right hand to ;finger; VICTIM and touch her

19  
 20 (S)TURNER stated that he never took his pants off and his penis was  
 21 never exposed. He did not penetrate VICTIM's vagina with his penis.

22  
 23  
 24 (S)TURNER started to not feel well and decided that it was getting

3 At about 1150 hours, (O-1) [REDACTED], VICTIM, and (O-2)MAGGIONCALDA went  
4 to the bushes near the "creek" to go to the bathroom. They returned  
5 to the party but stayed outside at rear of the house. They were

7 guys was very aggressive and was trying to kiss everyone. The male  
8 subject, walked straight up to (O-1) [REDACTED] and started kissing her  
9 face and tried to "make out" with her. She pushed him away and he  
10 left. A short time later, the same male subject walked up to her and  
11 tried to kiss her again. She pushed him away and he left.

12 (O-1) [REDACTED] described the male subject as a tall blond male with  
13 medium length wavy hair.

14  
15 (O-1) [REDACTED] may be able to identify the male subject.

17 At about 0010 hours, (O-1) [REDACTED]'s friend, "TREA", was too drunk and  
18 could not care for herself. (O-1) [REDACTED] and "COLEEN" walked "TREA"

20 returned to Kappa Alpha and saw police in the area. (O-1) [REDACTED]

8 At about 1310 hours, I booked the SART kit, VICTIM's blood, and

5 On 1/18/2015, (S)TURNER gave Detective KIM the pass code to his  
6 personal cell phone to search for contact information for "Tom  
7 Kremer."

8

9 On 1/18/2015, at about 0830 hours SGT. RONDEAU asked CSO CAMPOS, and  
10 I to open the SUDPS evidence bin 011 to access (S)TURNER'S personal  
11 cell phone in search of contact information for "Tom Kremer." I  
12 located the name "Tom Kremer" under the contacts section of the cell

14 I placed the cell phone into the proper packaging, then returned it

18 On 1/18/2015 at approximately 1200 hours, Sgt. RONDEAU requested I

20 at his address, [REDACTED]

23 STATEMENT OF (W06)KREMER

24 (W06)KREMER is [REDACTED]. He

1 The party was shut down about 10 minutes after (W06)KREMER arrived  
 2 due to the noise level. (W06)KREMER and (S)TURNER walked over to

 4 to share the alcoholic beverage. When they arrived to "Kappa Alpha"  
 5 (W06)KREMER was downstairs for a short amount of time then the music  
 6 was cut off so he went upstairs and left (S)TURNER.

7

8 Throughout the night he noticed (S)TURNER dancing with different  
 9 girls and possibly "Making Out" with one of them on the dance floor.  
 10 Around 2345 (W06)KREMER took a pack of beer from inside the party,  
 11 and went outside to drink it with (S)TURNER and 2 other "college aged  
 12 women" who said they attended school at [REDACTED]. This was the last  
 13 time he saw (S)TURNER. (W06)KREMER walked home from the party alone  
 14 on 1/18/2015, at about 0030 hours.

15

16 NARRATIVE CONT'D

17 This interview was recorded on my department issued tape recorder.  
 18 (W06)KREMER was very concerned about (S)TURNER. From what he can  
 19 remember (S)TURNER is a mellow, calm person when under the influence

4 NARRATIVE

5 On 1-18-15, at about 2130 hours, (002)MAGGIONCALDA came to SUDPS so I

10 (002)MAGGIONCALDA is a [REDACTED] who  
11 resides at [REDACTED].

12 (002)MAGGIONCALDA told me that she attended a party at Kappa Alpha  
13 (664 Lomita Court). She walked to the party with her friends Cassidy  
14 Cook and Jamie Neushul. Once (002)MAGGIONCALDA arrived at Kappa

16 (V01) to the party earlier in the evening via text. They hung out for  
17 about 20 minutes then they kind of lost track of each other.

18

19 (002)MAGGIONCALDA said on this night, she had a bottle of wine before  
20 she attended Kappa Alpha, then once at Kappa Alpha she had 3 shots of  
21 vodka, and 3 shot size beers. (002)MAGGIONCALDA told me she was  
22 drunk, but able to walk. She said she did not blackout.

23 (002)MAGGIONCALDA said that sometime between 2342 and 0011 hours, she  
24 went to the restroom in some nearby bushes behind Kappa Alpha with  
25 her friends, (V01) and (01) [REDACTED] Tiffany.

26

27 At some point during the party, unknown when, (002)MAGGIONCALDA

5 On Sunday, 01-18-15, at about 2025 hours, I met with (V01) at the

7 located at 711 Serra Street, Stanford California 94305. She was at

15 STATEMENT OF (V01)

16 On Saturday, 01-17-15, at about 8:00 pm, (V01)'s sister received a  
17 phone call from her friend, (002)MAGGIONCALDA. (002)MAGGIONCALDA is

19 her sister to a fraternity party at Stanford University. The party  
20 was at Kappa Alpha (Located at 664 Lomita Court, Stanford California  
21 94305.)

22

23 She felt kind of silly going to a college party, but thought it would  
24 be fun to go with her younger sister. She had no intention of getting  
25 to know anybody or meeting anybody. She recently moved back home, and  
26 it was just something to do.

27

28 Her sister invited two of her friends, (005)MC CANN and (006)MC ELHONE  
29 to the party at Kappa Alpha. They came to her house from a dinner  
30 party, where they had been drinking champagne.

14

15 They walked downstairs to the basement (lounge/living room area),

18 hundred people were at the party, and it progressively got larger  
19 while she was there.

20

21 The party was a typical college party. She danced within her own group

24 were younger than her. She did not mind if she came off as weird  
25 because she really did not know anybody.

26

27 While at the party, (002)MAGGIONCALDA found a handle of vodka (1.75

15  
 16 She, her sister, and (002)MAGGIONCALDA stayed outside in the patio  
 17 area. There was a group of people to whom they conversed. There may  
 18 have been three guys who were in the group. The three guys were white  
 19 males, about college age. She did not remember anything specific  
 20 about any of the guys.

21  
 22 The guys keyed their beers and shot gunned them (Pierced a hole in the  
 23 beer can, and drank the beer as it rushed out of the can.). One of  
 24 the guys gave her a beer, but it was not pierced with a key. She  
 25 thinks she opened it herself, as it was a full can. She sipped it,  
 26 and commented on how bad the beer tasted. The beer was cold, but not  
 27 like it was iced. She gave her can of the beer to her sister. The  
 28 beer was in a silver can, but she could not remember the brand. It  
 29 was a cheap beer. She thinks her sister drank the beer.

1 The last thing she remembered was being in the back of Kappa Alpha  
2 with her sister, and having the beer. She did not feel like she had  
3 to be on guard or anything. She did not feel threatened in any way.  
4  
5 She did not remember, her sister told her later about how she [(V01)¿s  
6 sister] left Kappa Alpha because (O06)MC ELHONE was tired and  
7 intoxicated. (O05)MC CANN was with her sister when she dropped off  
8 (O06)MC ELHONE at (O02)MAGGIONCALDA¿s [REDACTED] residence. She did not  
9 know where (O02)MAGGIONCALDA¿s residence was located, but it was  
10 [REDACTED].

11  
12 Her sister said she was not worried about (V01) when she left to take  
13 care of her (O06)MC ELHONE because (V01) was fine and was with  
14 (O02)MAGGIONCALDA.

15  
16 (V01) remembered waking up at the hospital, feeling groggy and very  
17 confused. She thought she got separated from her sister and friends,  
18 got really drunk, and was at a campus ¿drunk tank¿. But she saw a  
19 SUDPS deputy and someone from Stanford with him. They told her  
20 something happened to her. She was tired and probably still  
21 inebriated, so she fell back asleep.

22  
23 It was not until the YWCA advocate ¿April¿ handed her a rape form did  
24 she realize something actually happened to her.

25  
26 Since the incident, she still feels ¿really out of it¿. She does not  
27 have any noticeable injuries. She also did not feel any pain from the  
28 incident. She only had a small bruise from the intravenous needle,  
29 which was used on her while she was at the hospital.

2 She deals with things privately, so she does not feel like interacting  
3 a lot. What happened to her is upsetting to hear. She does not want  
4 to tell friends, and have them freaking out. She has not told her  
5 parents, but will when she has a better understanding of what  
6 happened. She is glad her sister knows about the incident.

7  
8 She finds it weird that she just shut down. She was tired. Maybe it  
9 was the fatigue and the alcohol. But for her to be completely out and  
10 not respond to medics is weird. She was not on any medication, and  
11 she did not take illegal drugs. There was no illegal drug activity at  
12 Kappa Alpha.

13  
14 She went to college for four years. She did a lot of partying there  
15 too. It is weird for something to happen to her at a Stanford party,  
16 and only to know about it because someone told her.

17  
18 She has blacked out before from drinking, but only when she has been  
19 continually drinking for a long time, and it is usually at the end of  
20 the night when it happens. She has not blacked out often. (She  
21 described a black out to be where she is still functioning, but not  
22 remembering.) She usually makes it home even when she blacks out.

23  
24 She only brought her phone to the party, because she was not going to  
25 a bar, and would not be buying anything.

1 (V01) checked her phone at it was still working. She saw her phone  
2 call log and text messages. On Sunday, 01-18-15, at about 1230 am,  
3 she made a 35 second call to her sister, and a 7 second call to  
4 (002)MAGGIONCALDA. She did not remember making the calls. She did not  
5 think she spoke to either.

6  
7 Her sister called her back nine times, and (002)MAGGIONCALDA called  
8 her two times. Her phone has an audible ring, she did not remember  
9 getting the calls.

10  
11 On Sunday, 01-18-15, (002)MAGGIONCALDA sent (V01) a text message at  
12 12:18 am advising (V01) she was upstairs at Kappa Alpha. At 12:53 am  
13 she text messages (V01) to find her. At 12:53 am and 12:57 am,  
14 (V01)'s sister sends text messages asking (V01) where she is. At 1:16  
15 am (002)MAGGIONCALDA sent a message asking (V01) where she is. At  
16 1:16 am (V01)'s sister sent another message to (V01) saying, "I'm  
17 scared".

18  
19 (V01) had some photographs from the Kappa Alpha Party. Only two had  
20 photos of people in the back ground. One had a male in the  
21 background, but he does not appear to be the suspect. The other photo  
22 is underexposed and dark. Most of the people in the photo are facing  
23 with their backs to the camera.

24  
25 On Monday, 01-19-15, at about 2000 hours, I spoke to (V01)'s sister by  
26 phone to get identifying information on her friends, (005)MC CANN and  
27 (006)MC ELHONE. She was able to get (005)MC CANN's information, but  
28 only had limited information for (006)MC ELHONE.

1 sister gave the following summarized statement.

2

3 STATEMENT OF (V01)'s SISTER

4 (V01)'s sister went to the party at Kappa Alpha with (V01), (005)MC  
5 CANN and (006)MC ELHONE. They met (002)MAGGIONCALDA in the living  
6 room area of Kappa Alpha. The party was very crowded.

7

8 While at the party, (002)MAGGIONCALDA found a bottle of 'TAAKA' vodka.

9 The vodka was sealed. (002)MAGGIONCALDA opened the bottle.

10 (002)MAGGIONCALDA and (V01) drank some vodka, but she did not. She  
11 does not like vodka.

12

13 She, (V01), and (002)MAGGIONCALDA went outside Kappa Alpha to urinate  
14 in some bushes in the back area. When they were done, they went back  
15 to the outside patio area of Kappa Alpha where they met three guys.  
16 The guys were poking holes in beer cans and shot gunning beer. The  
17 beer was 'Natty' beer, natural light beer.

18

19 During her conversation with the guys, she said she went to school at  
20 [REDACTED]. One of the guys responded by saying, 'My siblings went to  
21 [REDACTED]'. Then he stated he got into Stanford because he is on the  
22 diving or swim team.

23

24 One of the other guys was a quiet guy, who did not speak. (005)MC CANN  
25 and she thought he was weird because he was aggressive. She described  
26 him to be about 5' 11" to 6' tall. He had blond curly hair, and blue  
27 eyes. He appeared clean shaven. He wore a baseball cap backwards. He  
28 had on pants, not shorts. She could not remember what kind of shirt  
29 he wore. She thought he looked like one of her friends back at her  
30 college.

2 The aggressive guy was giving out beers. At one point, he came up to  
3 her and started making out on her cheek. Then he went in for her  
4 lips. She laughed in shock. (005)MC CANN, and (002)MAGGIONCALDA saw  
5 it happen, and also laughed. The guy left.

6

7 Then a short time later, while she was talking face to face to (005)MC  
8 CANN, the aggressive guy came back. He stepped between her and  
9 (005)MC CANN, and tried to make out with her again. He grabbed her  
10 from in front, at her lower waist, and kissed her on her lips. She  
11 told him she had to go, and wiggled out from his hold.

12

13 She left to find (002)MAGGIONCALDA because she needed her [REDACTED]  
14 keys. (006)MC ELHONE was on a bench near-by, feeling ill. She wanted  
15 to bring (006)MC ELHONE to (002)MAGGIONCALDA's [REDACTED] to rest.

16

17 She located (002)MAGGIONCALDA, and got her keys. She and (005)MC CANN  
18 walked (006)MC ELHONE to (002)MAGGIONCALDA's [REDACTED]. When she left  
19 Kappa Alpha, her sister appeared to be fine, so she was not worried  
20 about leaving her there, and (002)MAGGIONCALDA was with her sister.

21

22

23 She arrived at (002)MAGGIONCALDA's [REDACTED] with (005)MC CANN and  
24 (006)MC ELHONE. She left them there, and returned to Kappa Alpha to  
25 find her sister and (002)MAGGIONCALDA. When she returned, there were  
26 a lot of police. She thought they were there to shut down the party.  
27 She did not know they were there because of what happened to her  
28 sister.
